Customer for the last 4 years.

2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

Within 1 mile of my house, my mother's West Columbia Water bill averages less than half the cost of mine with Carolina Water? How is it possible that Carolina Water can ask for an increase when we are already paying much more than anyone else in Columbia? This company is robbing the citizens of Lexington! During the summer months when my limited irrigation is on, my water and sewer bill are more than my electric bill with my ac running! If this increase passes, I will put a well in and cease to pay carolina water!

3. Do you wish to make an appearance at a hearing in this proceeding , if scheduled, and offer sworn testimony? *
(This section should be completed.)
